

## BLESMA MEN'S PAIRS

An open Men's Pairs competition for pairs comprised of members from the same or different affiliated clubs. Players must be subscribing members of affiliated clubs.

The "Elsie Blane" Challenge Trophy is a handsome silver cup presented by the Sutton and Cheam Branch of the British Limbless Ex-Services Association to our Association at the first AGM held on 5 December 1950.

Originally the cup was played for in a 15 ends Pairs competition, held annually during the first three Sundays in September.

It is recorded that 78 pairs took part in 1954. By 1955 the sum of £243 had been sent to the new BLESMA home in Southsea. The entry for 2002 was 116 pairs.

The memorial Cup for the Finalists was not presented until 1973. It is not known what it commemorates or who the presenter was. Unfortunately, the records are incomplete and therefore only a few of the unrewarded, pre 1973 Finalists are shown.
