

TED PEIRCE TROPHY & THE LANGHAM TANKARD now
THE LANDLESS SHIELD

A Men's Singles competition limited to the Current and Past Officers, Life Members, and Hon. Vice Presidents of the S&DBA, and the current Delegates of its affiliated clubs. Players must be subscribing members of affiliated clubs.

The Ted Peirce Trophy is a 7inch high hall marked silver trophy.

Finalists receive the silver Langham Tankard, first presented in 1984. In 2004 this was replaced by the Landless Shield (donated anonymously) as the tankard had got badly tarnished and there was no room for any more names.
