RONALD PASTON CUP

A Mens Singles competition limited to the Champion or Runner-Up of the affiliated club's men's singles championship.

The Ronald Paston Cup was presented to Cuddington BC in memory of the lads (including his son, Ronald) who spent their younger days on the sports grounds in the Borough of Sutton and Cheam; they would have possibly become our future bowlers, but who lost their lives in action during World War 2.

The cup was initially only competed for by the champions of clubs within the Borough, but at their 1955 AGM, Cuddington unanimously agreed that it should be offered for completion by all clubs affiliated to S&DBA.

The President's Bowl, an 8 inch high silver bowl, was presented to the Runner-Up in 1967.
